BOARD OF EDUCATION

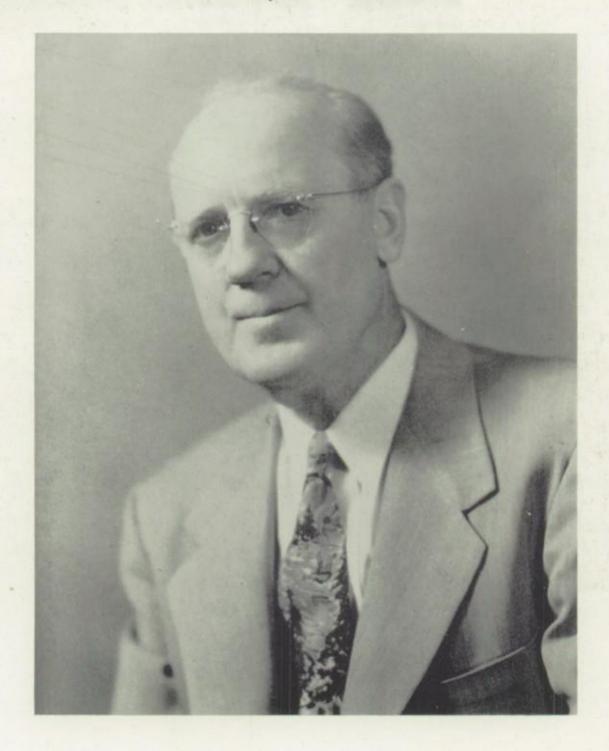

Frank Walker, Mrs. Lucy Oplinger, Otto C. Keil, President, Lester J. Grant, Superintendent of Schools.

The Board of Education of Decatur High School District No. 61, like the thousands of other boards of education, is charged with the responsibility of seeing to it that a good common school education is provided for all the children of the district. The Board is the legal authority through which the people speak. It determines the policies under which the schools operate. The responsibility for carrying out the policies is delegated to the Superintendent who is employed by the Board. He also counsels with the Board in policy making.

Membership on the Board is a responsibility which requires much of those who serve. Decatur is fortunate to have members who can and do give willingly of their time, thought, and energy to provide the best possible schools for our community.

Our Principal . . .

I saw a picture of two girls looking at a T.V. set and the picture was so badly out of focus that it looked scrambled to me. The legend under the picture explained that the two girls were seeing and hearing two separate programs with the "Duoscopic Receiver." Special glasses filtered out one image while the viewer watched the other. Small earphones brought in the sound so there was no confusion for the pair of listeners. My hope is that in the graduating class of 1954 some person will be able to perfect some kind of a system so that youth and adults can look at the same things in life and each have an understanding of the other's viewpoints, and with this understanding develop a life pattern which will help all adults and all students meet better the problems of age and youth.

D.A.R. AWARD

Each year an outstanding senior girl is honored by receiving the award presented by the National Society of Daughters of the American Revolution. She is then eligible, along with representatives of other Illinois high schools, for the drawing in which a state representative is selected to take a trip with all expenses paid to a convention in Washington, D. C.

LINCOLN ESSAY AWARD

Mrs. Inez J. Bender, formerly a member of the Decatur School Board and one of the foremost civic leaders in Decatur's history, gave a sum of money to the school board before her death to establish a Lincoln Essay Contest in memory of her father, who was a great admirer of Lincoln. This money is divided equally between the boy and the girl from each year's June Senior Class who write winning essays on Lincoln. These awards are presented to them at the June Commencement exercises.

The contestants are judged fifty per cent on the essay itself, twenty-five per cent on their ability to read it before the judges, and twentyfive per cent on their school citizenship.

IDA K. MARTIN AWARDS

All seniors except the Lincoln essay winners are eligible for the Martin awards. Mrs. Ida K. Martin, in February, 1920, when she was national president of the Women's Relief Corps, gave \$1,000 to the Decatur Board of Education. The interest from this money supplies two

prizes, one for a boy and one for a girl. Those entering are graded upon the content and style of their essays, delivery, and citizenship. The essays may not exceed one thousand words and may be on any phase of patriotism.

MARY W. FRENCH AWARDS

The recipients of these honors are chosen by the Faculty Cabinet. Miss French, for forty years a member of the Decatur High School faculty, presented \$1,000 to the school to make possible these awards. She stipulated that those honored must have achieved more than high scholastic standing. They must have served the school in some outstanding manner, been good and loyal citizens of the school, and been active in the school organizations.

The Future Distributors' Club is made up of all students in the Distributive Education Class. It functions both educationally and socially. Besides social activities, various business men are invited to talk to the group from time to time. These talks cover phases of retailing and

salesmanship in which the members are interested.

Two major events during the school year are the Future Distributors' Convention in Springfield, Illinois, and the field trip to Chicago.

FOOTBALL

D.H.S. opened the season by suffering a loss at the hands of Mooseheart. Although the team played well, they just couldn't hold Mooseheart back.

The second game of the season, played at Bloomington, was the only conference game lost by Decatur this year. The team played poorly and just wasn't up to par. This game was also the only game won by Bloomington all season.

Our first home game was against Mattoon. Decatur played the best they had played since the beginning of the season and they came out on top for the first time. This game was the beginning of their winning.

University City was our second home game.

D.H.S. played a very good game during the first half and went on to win.

The old rivalry between Springfield and Decatur was brought out when Decatur played host to Springfield this season. We were able to edge them out, 13-12.

Urbana took a 19-7 point loss at Decatur this season.

The Reds were not up to par at Quincy but they did manage to hold them to a 7-7 point tie.

At Lanphier the Reds played a good game and added another win to their line of victories.

The highest score of the season was made at Lincoln. This was the last game of the season and the last game for several of the seniors, so they really fought hard and held Lincoln scoreless?

Jim Zarcone played the season at end. He has a lot of football ability and will be back next season.

Thom Mitchell was one of our best tackles. His ability to "get in there" made him a good player on defense.

Don Kraft was one of our best fullbacks. He had bad luck during the first of the season, and his familiar action on the field was really missed.

Fred Morenz

Joe Coleman

Jim Smith helped a lot this year with his guarding. He will be back next year.

Larry Coffey was D.H.S.'s ace passer this year. He is graduating and will be hard to replace.

Larry Haab played his best game as quarterback. Always reliable, he showed his ability and alertness in every game he played.

Tom Oakson was our leading tackle with over 100. His ability on defense will be missed next year.

Dave Stark's great kicking took Decatur out of many tight pinches. Decatur is lucky to have a man like Stark back again next year.

FOOTBALL

Ron Wisher was our quarterback this year. His speed and accurate passing meant a great deal to the team. Decatur will lose a good player in Ron.

Bill Harnish was one of the best centers D. H.S. ever had.

Dick Powell was a line backer and was always in there trying.

Dick Ford

Jack Gordy graduated mid-year. He could really plow through the line. He was a valuable player and will be missed next year.

Rick Hazelrigg saw a lot of play this year and will be hard to beat next season.

Dick Ford, a senior, was our fastest runner, and one of the most valuable players on the team.

Jim Lee took his place in the line this year as a guard. He played well and was always "on his toes."

Ted Edwards was always in there and always came through when they needed him. His services will be missed next year.

John Duddleston was a halfback and end. He should see more action next year.

GALEN KINTNER Assistant Basketball Coach

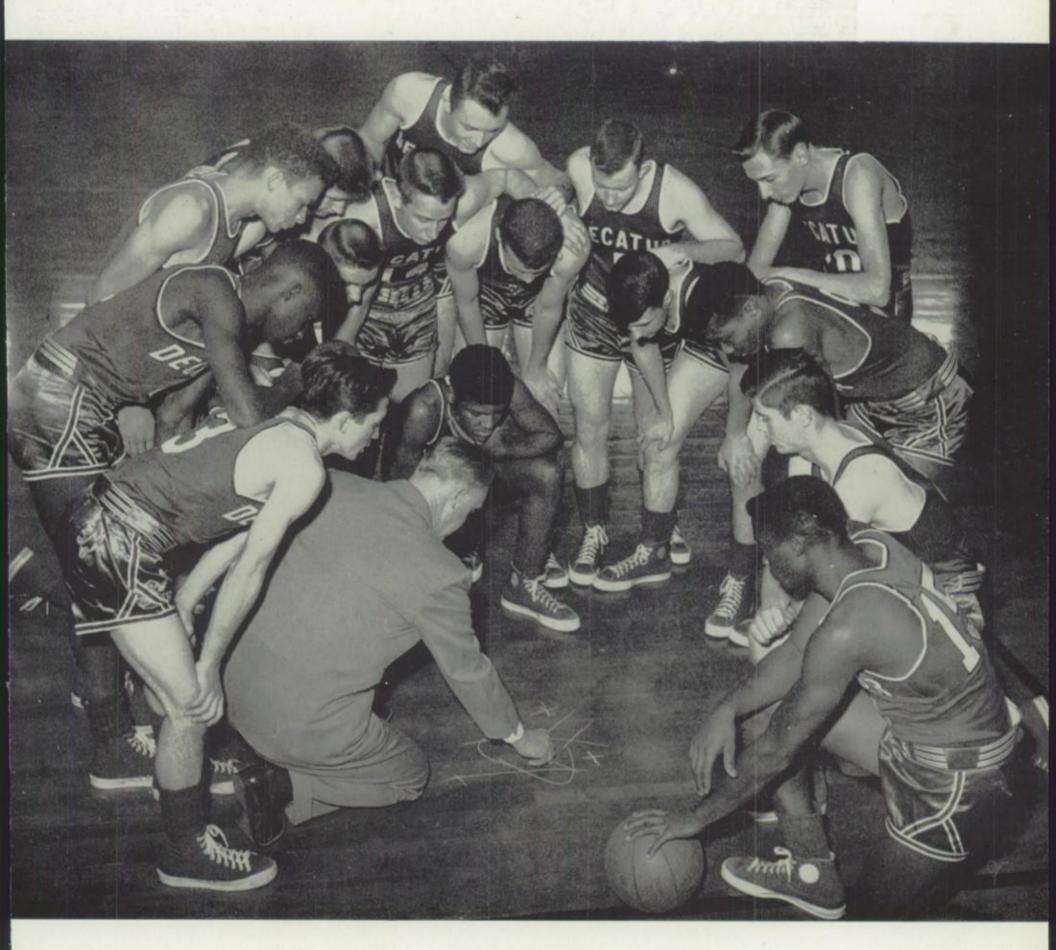

1953 - 1954

1953-1954 BASKETBALL

Kintner's Reds showed basketball fans many thrills this year as they gained co-championship of the Big 12. They played good ball, and finished the season with a 20 to 7 over-all record.

The Reds won their own regional by defeating Illiopolis, Mt Zion, and Lakeview. They stopped Vandalia in the sectional before falling before mighty Litchfield in the finals.

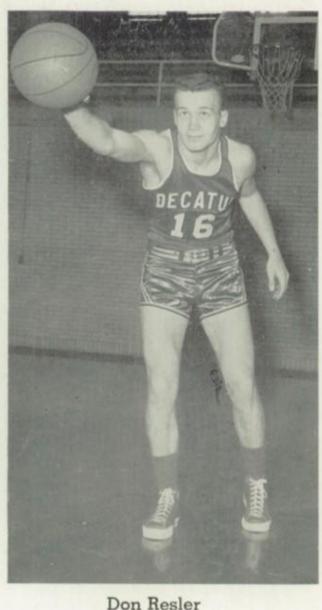

Decatur has a team, coach, and record which they can well be proud of, and they need not be ashamed when the '53-'54 basketball season is mentioned.

BASKETBALL

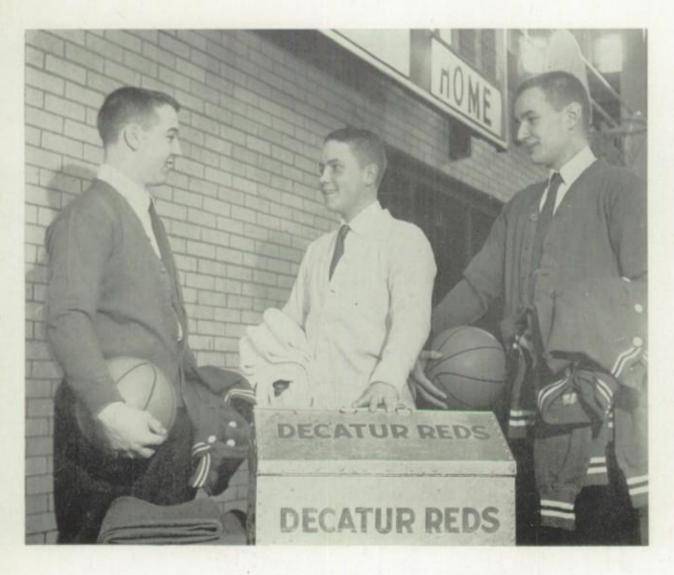

Charles Behrends

Charlie's patented long shots, which provided many thrills for D.H.S. fans, and his hustling floor play will be missed next year.

Don, Big 12 scoring champion with 237 points in twelve games, has been batting rebounds for the Reds for the last two years and his loss will be greatly felt.

Bob Davis

Ollie Perkins

Jim Lee

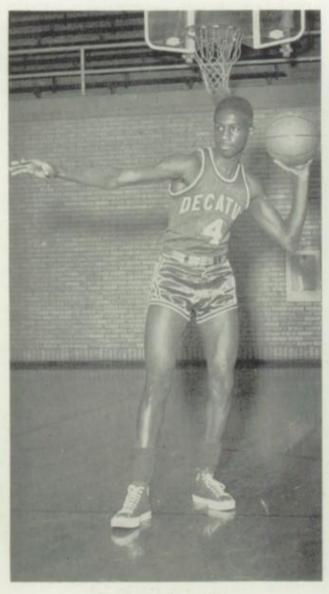

Bob saw a lot of action this year and sometimes showed top-notch scoring ability, as was witnessed in the Reds' victory over St. Teresa.

Ollie's fighting spirit and excellent work around the boards have been valuable to the Reds' success.

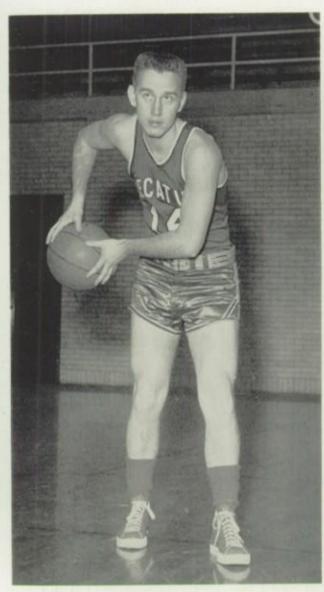

Jim's tough rebounding and accurate eye were instrumental in a number of games this year and he will be a main cog in next year's plans.

BASKETBALL

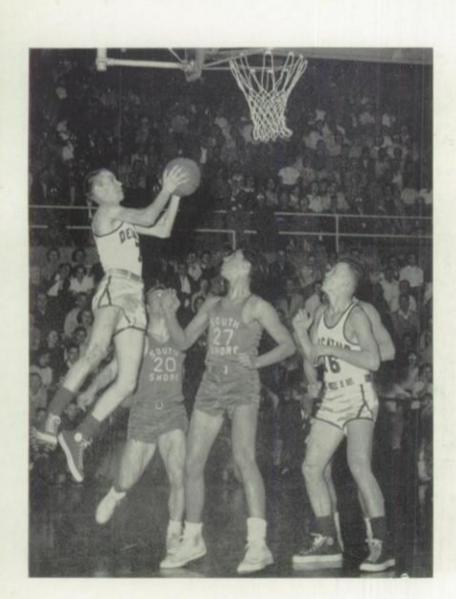

Erskine Hawkins

Don Holler

Jim Maguire

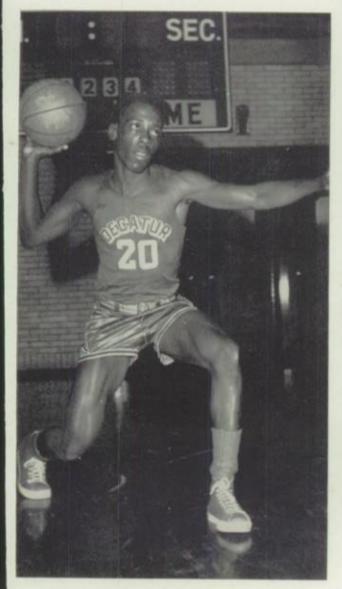

Erskine's steady scoring and floor play proved him a valuable member of the Reds. He will be a big factor in next year's plans.

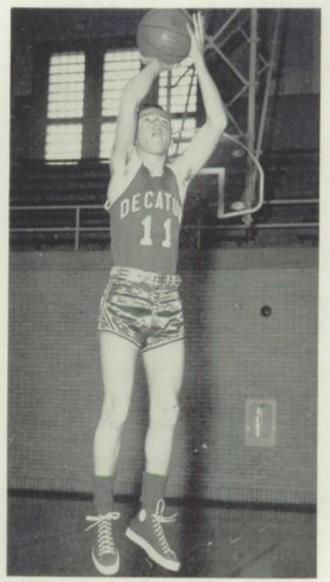

Don was regarded as a top passer and feeder and his presence will also be missed next year.

Jim's height and sometimes brilliant defensive work have helped the Reds attain their respectable record.

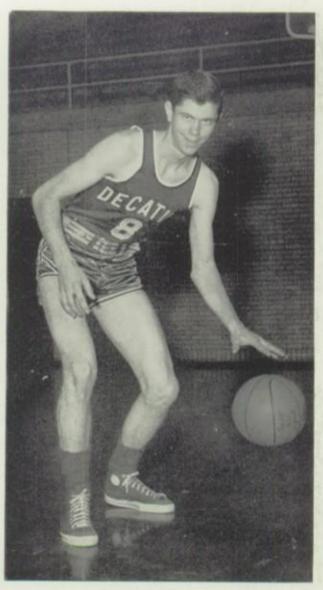

1953-1954

Joe Coleman

Wally Minnis

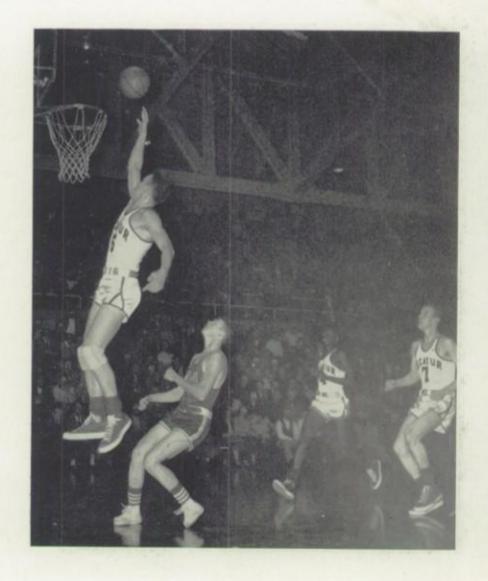

Carroll Larry

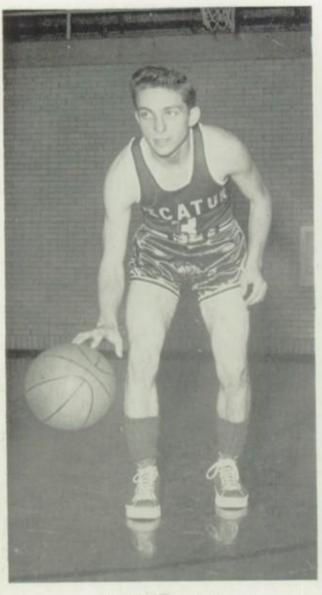

Joe, a promising young sophomore, may prove to be of great help to the Reds next year.

Wally's deadly jump shot will be a big asset to the Reds for the next two years.

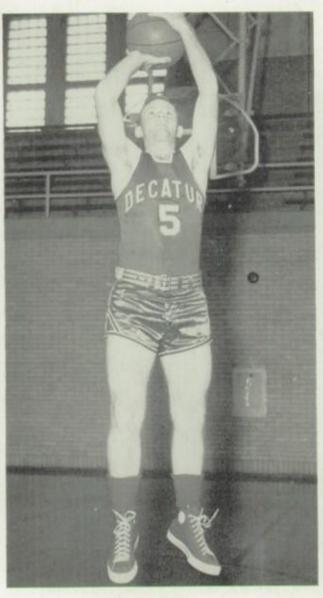

Carroll's height was an advantage in some of the Reds' games and he should prove to be a great help next year.

Sailing
Under
Sealed
Orders

Putting out to sea under sealed orders is an exciting and dramatic thing. It means starting with destination unknown.

Graduation is something like that. Some of you, many of you, perhaps most of you, will go on to college—but whether now or four years from now you leave school days behind and embark on the sea of life, you'll be sailing for an unknown destination.

We wish for you good sailing, the strength and the courage to weather all storms, and many pleasant ports of call; a successful voyage from the very outset.

SINCE 1906 OF PRODUCING BLUE RIBBON ANN UALS

"Blue Ribbon" is not merely a trade name or slogan, adopted for advertising purposes. We didn't just pull it out of a hat. We earned the right to use it!

In competition with annuals submitted in State, Sectional, even National contests, since 1906, Huston-Patterson yearbooks have been rated tops — year, after year, after year.

And so, we're proud and determined . . . proud of our past record — determined to make future accomplishments even better.
